

Pre-Application Questionnaire

Applying to purchase a home through MACLT requires you to submit a variety of your income, banking, and other household information to MACLT. Before you go through the effort to collect the required documentation, and to help us get a sense if you will qualify for our program, please submit answers to the questions below to andy@affordablehome.org. If it looks like you will be eligible we will send you a complete application and more information about the process. Answers can be approximate. **Thank you!**

1. How many people live in your household?

2. What is the approximate total annual income of all adults (18 or older) in your household?

3. Not including your current rent payment, what is the total minimum monthly payments for all other household debt? (Please include student loan payments, car loan payment, credit card payments, and any other loans or lines of credit that you have. Utilities and rent payments should not be included.)

4. Do you have any student loans? If yes, what is your monthly payment amount and total balance?

5. What is your credit score, if known?

6. Do you own a home or any other real estate?

*Answer may also be submitted via phone (280-0131) or mailed to:
