

Pre-Application Questionnaire

Applying to purchase a home through MACLT requires you to submit a variety of your income, banking, and other household information to MACLT. Before you go through the effort to collect the required documentation, and to help us get a sense if you will qualify for our program, please submit answers to the questions below to olivia@maclt.org. If it looks like you will be eligible we will send you more information about the process. Answers can be approximate, but your answers should be truthful to the best of your ability. Thank you!

1. How many people live in your household?
2. What is the approximate total annual income of all adults (18 or older) in your household (please give GROSS income, before taxes, 401(k)s, insurance, etc.)?
3. Do you currently own a home or any other real estate?
4. Do you have to spend significant time away from home in a given year (eg. for work, family, or other reasons)?
5. Have you ever owned a home before?
6. Have your parent(s)/guardian(s) ever owned a home?
7. Are you currently at any risk of displacement from your current home (due to condemnation or sale of property, divorce or domestic abuse, or other external circumstance)?
8. Do you have any accessibility needs? We ask this because some of our properties have features that may make them more accessible for those with accessibility needs, but we cannot guarantee we will have an accessible unit available.
9. What is your credit score, if known?

Note, you may type these answers into an email or new document if needed. The timeliness your submission of this pre-application can affect your place in our buyer queue to be eligible for a home.
